# Go from **Good to Great**

Intuitive | Easy-to use | Hassle-Free

The Osstell Beacon helps you to objectively and non-invasively determine implant stability.

 Manage patients with **risk factors**

 Shorten **treatment times**

 Achieve more **predictable outcomes**

## The Osstell ISQ Scale

The Osstell Beacon uses proprietary and evidenced-based RFA technology, based on more than **1000 scientific studies**. Visit [osstell.com/clinical-guidelines](https://osstell.com/clinical-guidelines) to learn more.
